## Erasmus exchanges of ECTS MA partners (Medicine 12.1)

Your university code : **BRUXEL04**

Please fill in the number of incoming and outgoing Erasmus student exchanges with partner universities for the following academic years :

Current academic year : 2007/2008

**GREEN CODE** = ECTS MA university

If the OUTGOING number is already listed, it means that your partner has already encoded the data.

If it is not correct, please contact your partner.

(If the e-mail address is available, you can click on the university code to send an e-mail to your ECTS MA partner)

# Questions

---

There are large differences in :

International policy at

National level (money available ?)

Faculty level (enthusiasm of academics  
?)

Some countries are more attractive

# Conclusions

---

ECTS-MA represents a core to facilitate and strengthen bilateral agreements between universities by :

- giving up-to-date academic and administrative informations

- using easy access web tools to facilitate and promote mobility

Many thank to all members who have  
completed and will fill in the future  
these data to improve the quality of  
statistics
